Doug,

Here is the PW Co MS4 Inspection report, as you requested. There are 8 Attachments that go with it, but some of them are rather large. I have included Attachment 8, which is our Compliance Assistance section. I thought that might be one of the more important Attachments for you besides the main body of the report. If you would like any of the other Attachments, please let me know and I will get them to you.

Thanks!

Andy Dinsmore

Stormwater Team Leader

US EPA, Region III

Goodmorning Andy

Prince William MS4 Inspection Report was assigned 6/11/13 and is FOIA-EPA-R3-2013-007224 and is due by 7/10/13. Will hand-carry FOIA to you this morning for assignment. Thank you
Josephine
